2010 SOUTHEASTERN UTILITY POLE CONFERENCE & TRADESHOW

February 22-23, 2010
Doubletree Hotel Downtown
Memphis, Tenn.

Topics and speakers to be announced. This is the first sequel to the highly regarded 2007 conference, which provided practical illumination on a range of utility issues.

MAKE IT A DOUBLE

Also at the Doubletree Downtown Memphis following the conference, the North American Wood Pole Council (www.woodpoles.org) is offering a two-day seminar on February 24-25 on wood pole standards and their relationship to the National Electric Safety Code. The seminar will cover American National Standard for Wood Poles and Crossarms and the American Wood Protection Association standards.
